book launch:

GLI ANELLI DEL SAPERE

INFN x LHC. Il contributo italiano alla più grande ricerca sulla fisica delle particelle al CERN di Ginevra

THE RINGS OF KNOWLEDGE

INFN x LHC. The Italian contribution to the world's largest particle physics research project at CERN, Geneva

C.E.R.N. Genève, CERN library 'literature in focus'

Route de Meyrin 385 - 1211 Geneve 23

CERN Main Building, 1st floor "Pas Perdue"

9.03.2010 h. 4.00 PM - 5.30 PM

Federico Brunetti Dip. In. D.A.Co. Politecnico di Milano Arch. Prof. Phd., editor and photographer
Antonella Minetto, publishing coordinator. Abitare Segesta - RCS Mediagroup

Sergio Bertolucci, CERN Director of Research and Computing (invited)

Fabiola Gianotti CERN spokesperson of ATLAS

Marzio Nessi CERN (ATLAS Technical coordinator, PH dept.)

Lucio Rossi CERN Magnet Group leader, TE department,

Walter Scandale spokesperson of UA9, CERN EN department"

Prof. Guido Tonelli CERN, INFN, Università di Pisa - spokesperson of CMS

Carlo Wyss (former Accelerator director, retired)

Prof. **Fernando Ferroni** (INFN - Università Roma La Sapienza)

Sono stati invitati gli scienziati INFN autori dei testi del volume:

Marcella Diemoz responsabile nazionale esperimento CMS

Maria Curatolo responsabile nazionale esperimento ATLAS

Eugenio Nappi, Maurizio Basile esperimento ALICE

Pierluigi Campana esperimento LHCb

Marco Paganoni GRID

Sandro Centro INFN - ILO

Federico Ferrini

Scientific Councillor Permanent Mission of Italy

James Gillies, Head of CERN Communication group

Renilde Vanden Broeck, Sophie Tesauri, Paola Catapano Fabienne Marcastel, CERN communication group

Romeo Bassoli, Coordinamento: Ufficio Comunicazione INFN

Claudio Parrinello Head of Knowledge & Technology Transfer

Marina Giampietro Communication Officer Knowledge & Technology Transfer

Marilena Streit-Bianchi CERN Knowledge and Technology Transfer group

Beatrice A. Bressan MSC, Ph.D. TOTEM Outreach Coordinator, Science Writer

in collaborazione con biblioteca di fisica CERN

Jens Vigen, CERN library 'literature in focus'

Christine Sutton - CERN Courier

Tullio Basaglia CERN Scientific Information Service (GS-SI)

Library Section leader Bat. 3-1-036,

phone: +41-22-7677911 or 7672444, fax: +41-22-7672860

CERN Bookshop-Bat. 52 1-052

In collaboration with: **ISR** (Istituto Svizzero di Roma)

With visual technical support of **EPSON Italia**

☪ Reception a cura: **Permanent Mission of Italy**
